When President Trump announced “Operation Warp Speed” on 5/15/2 were “*at war with an invisible enemy*” and pointed out that nothing like his response to

COVID had been done since World War II! Secretary of Defense Mark Esper promised to deliver COVID shots by the end of the year.

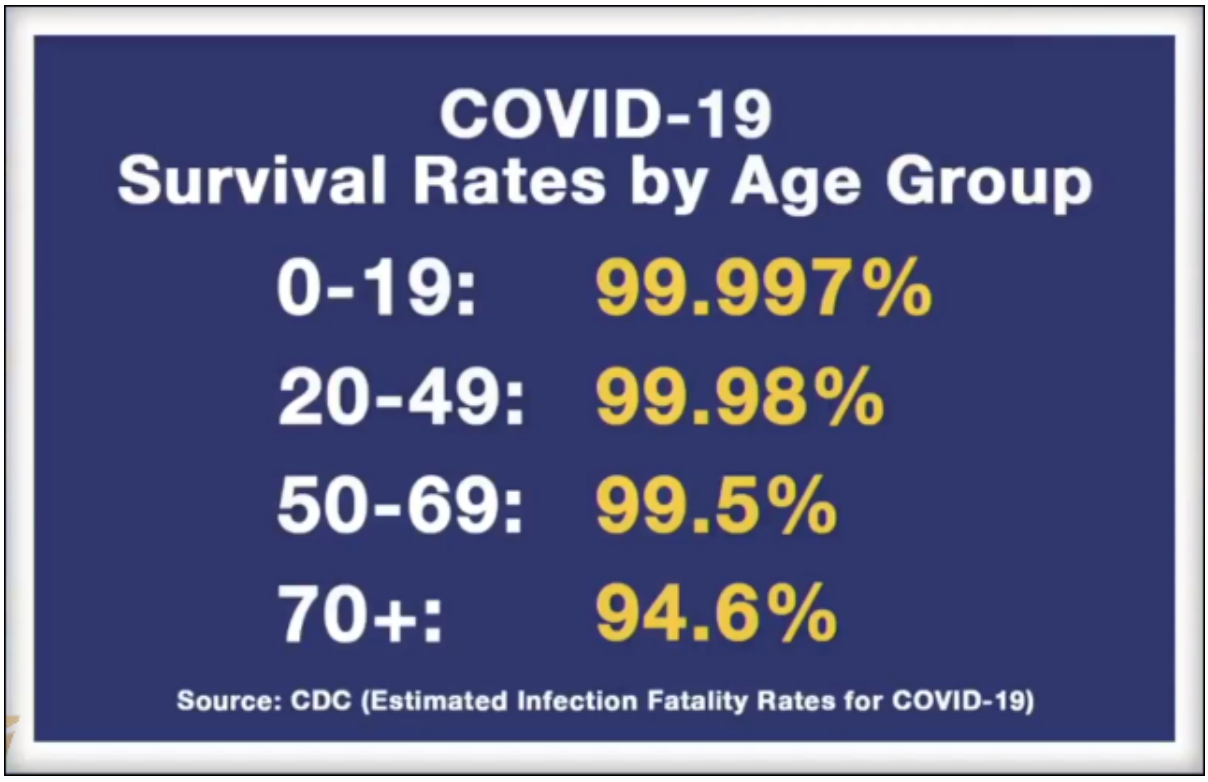
However, as CNN Chief Medical Correspondent Sanjay Gupta pointed out following the announcement, it usually takes years to develop and test a vaccine!

Unprecedented Operation Warp Speed

Trump appointed Gen. Gustave Perna to head Operation Warp Speed. However, he quickly disappeared — probably because many people wondered what the military had to do with health. It turns out that the US military was controlling the COVID policies from behind the scenes! It has never been medical policy to quarantine asymptomatic people. Were the strange unprecedented massively detrimental lockdowns of healthy people a form of martial law?

When President Trump announced in early 2020 that the military would lead Operation Warp Speed to rush out a vaccine for COVID, that struck me as EXTREMELY odd for several reasons, including:

1 – The CDC stats showed in early 2020 that COVID was little threat to anyone.



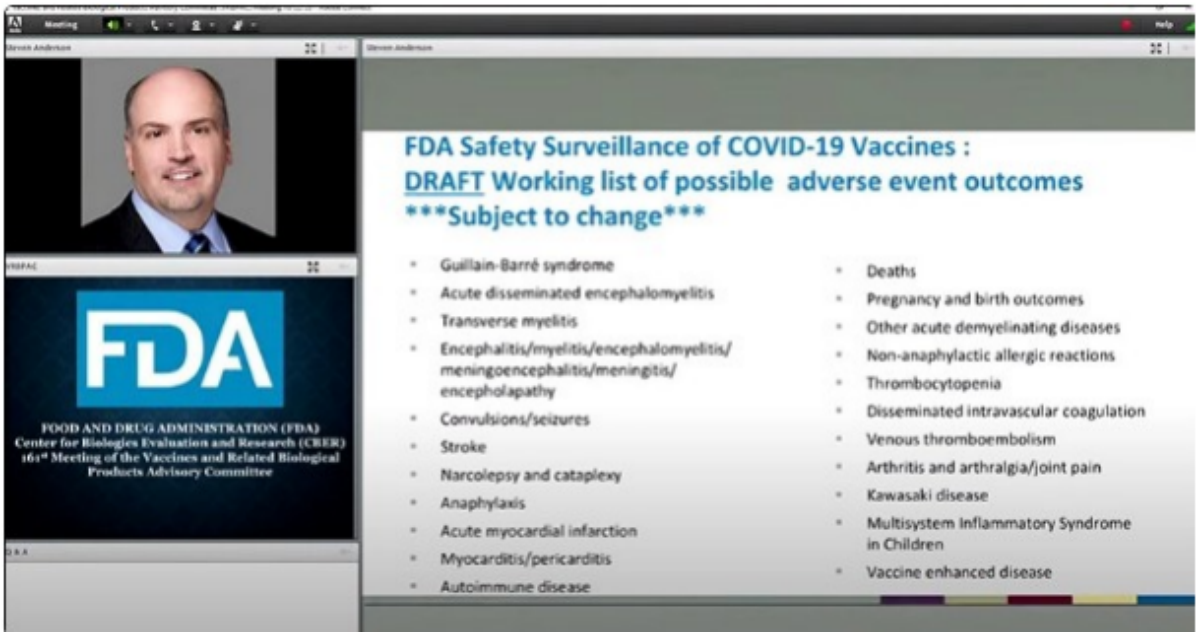
2 – Dr. Anthony Fauci, then Director of the National Institute of Allergy and Infectious Diseases at the National Institutes of Health and a member of the Whitehouse Coronavirus Response Team, published the article Covid-19 – Navigating the Uncharted on 3/26/20 in the *New England Journal of Medicine*. It was co-authored by Dr. H. Clifford Lane, M.D., NIAID Deputy Director for Clinical Research and Special Projects and by Dr. Robert Redfield of the CDC.

The article said: "the overall clinical consequences of Covid-19 may ultimately be more akin to those of a severe seasonal influenza (which has a fatality rate of approximately 0.1)...rather than a disease similar to SARS or MERS, which have had case fatality rates of 9 to 10% and 36%, respectively."

3 – There were several effective inexpensive early treatments for COVID that were known in early 2020. The late Valdimir Zelenko (11/27/73 – 6/30/22) advised Trump in March 2020 that he had used HCQ/zinc/azithromycin to cure 699 COVID patients. Vitamin D and Vitamin C were known to be effective treatments. Dr. Richard Bartlett was using budesonide. See HCQ: The Fight To Save America!, MD: Use HCQ For COVID-19 To Re-Open America Now! Two Potentially Effective COVID-19 Treatments!, and Good News About COVID-19!.

4 – The Emergency Use Authorizations for the COVID shots were illegal because earl outpatient treatments were readily available. See Do Senate Hearings Show COVID-19 Vaccine Use Illegal?

5 – The FDA had also been warned on 10/22/20 in a slideshow which included Slide 16 shown below that the COVID shots would cause many serious illnesses and deaths. See Ed Dowd Reports on 2023 Disability Pandemic and How COVID Shots Pose National Security Issues.

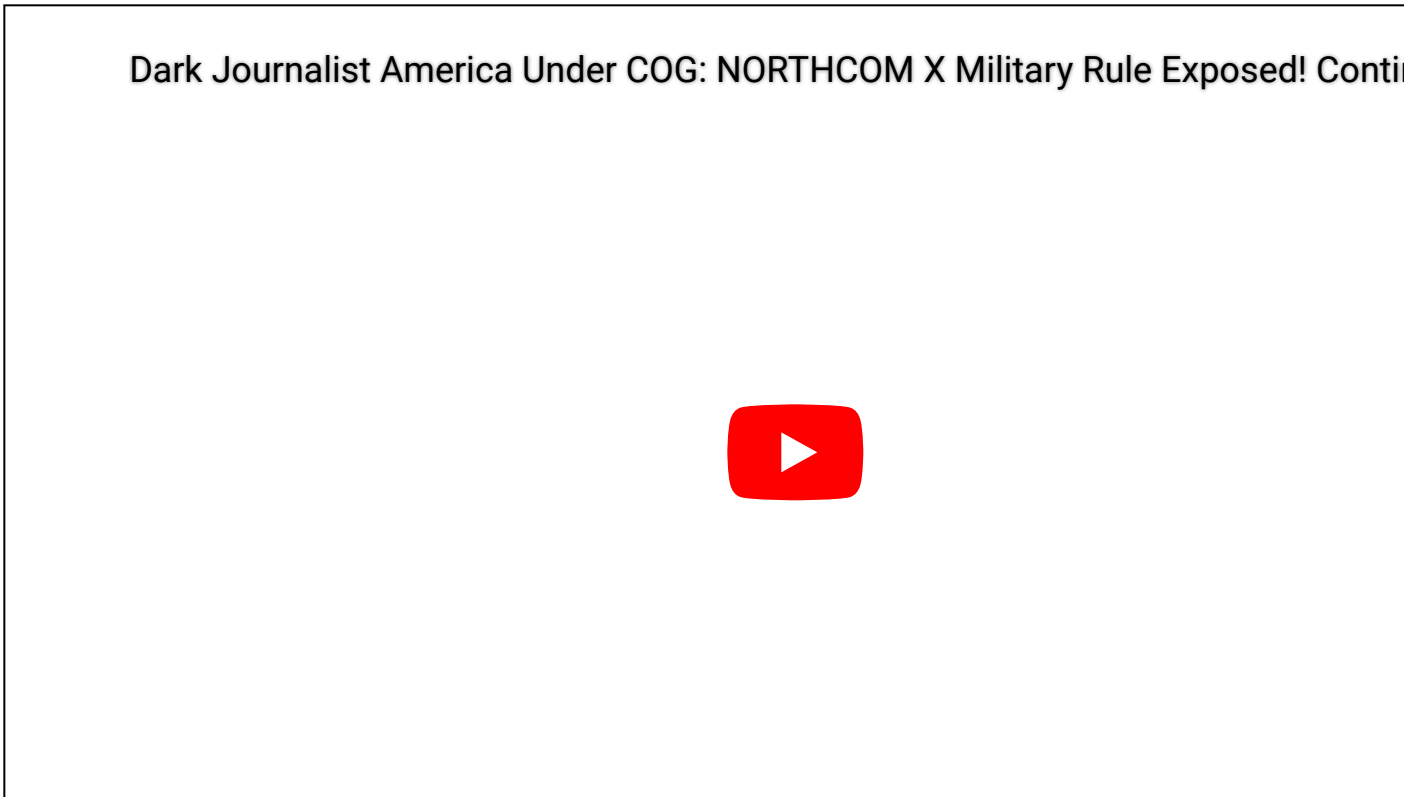


6 – It's a violation of the Nuremberg Code to force anyone to take an experimental medical treatment. Yet, the novel gene-therapies were mandated for many jobs (including for firms with over 100 employees, hospitals, airlines, schools, and the military.

7 – When has the MILITARY ever been used before in healthcare for civilians?

8 – Why was the military necessary and what role did it play?

COG: Imminent Military Takeover?



In America Under COG: NORTHCOM X Military Rule Exposed! Continuity of Government, the Dark Journalist said in a show on 2/22/20 that we needed a wide conversation with medical professionals now. He pointed out that if doctors didn't stand up and establish healthy policies for handling COVID-19, we risked losing our hard-won constitutional rights in a military take-over. He said that doctors needed to form a "Doctors For COVID-19 Truth" to advise the nation on the appropriate response to the [alleged] virus [flu symptoms renamed] that does not involve shredding the economy and our freedoms under the US Constitution. He said doctors must stand up now and speak to the nation to restore sanity before we lose what America stands for.

The Dark Journalist said the power grab on the constitutional level, the state level, and the local level was beyond anything we had ever seen. He discussed the Northcom Continuity of Government and reported that the media has been saying that if Trump and Pence get COVID [flu symptoms renamed], Canadian-born 4-star General Terrence O'Shaughnessy, Commander of NORAD and USNORTHCO (shown below), would become president! That violates the constitutional chain of command. It means COVID-19 [flu symptoms renamed] would be used to justify a military coup!

The show emphasized that the possibility of this military takeover was imminent. The Dark Journalist said the Deep State was attempting to use COVID-19 [psy op] to seize our rights under "Continuity of Government." The 1964 movie *Seven Days in May* dealt with a similar threat of a military takeover and was a film JFK helped get made.

The Dark Journalist explained that when the "Continuity of Government" was originally set up at the start of the nuclear age, it was envisioned as a last resort in the event the US president and VP were killed in a nuclear attack. COG wasn't designed to handle a health crisis in which there are differing opinions! He pointed out that the COG plan (including military-enforced curfews) can be very easily abused. The COG plan called for turning the control of the government over to FEMA.

The video explains that the media had reported that the Department of Justice wanted to suspend certain constitutional rights during COVID [operation] . The DOJ wanted to be able to arrest people and hold them indefinitely without trial. That makes no sense

in terms of the [alleged] virus since an asymptomatic person [person with nothing wrong with them] can spread the [fake not real] virus for only 14 days [lies] and a sick person needs to be at home or in a hospital. [anyone with flu syptoms could use tine in bed resting]

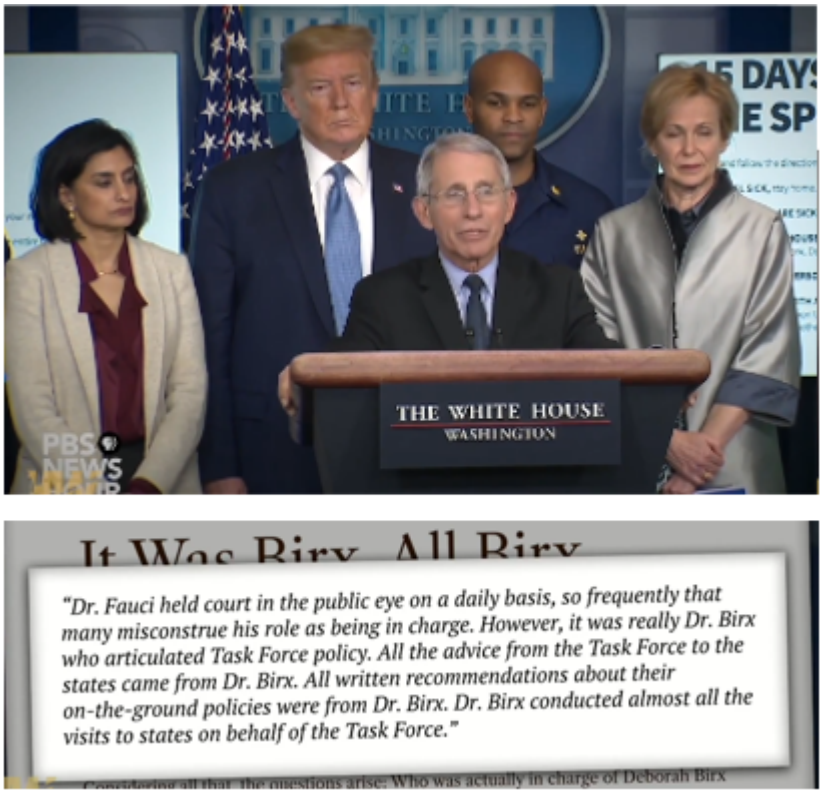
The Dark Journalist warned that it may be impossible to restore the Constitution after COVID [faked virus for power grab] disappears! In the audio Individual Liberty in a Post-Pandemic World, James Corbett says this is THE most significant event of our lifetimes – not because of the [non existant] virus, but because of the unprecedented power grab.

Colonel Deborah Birx Controlled COVID Narrative

Del Bigtree, host of The Highwire which airs online Thursdays from 2-4 PM ET, revealed in the segment below that Fauci was just the public face of [the] COVID [scam] since he was the head of the NIAID. Dr. Deborah Birx controlled the COVID [operation] narrative and was a Colonel in the military! Was COVID [flu renaming fear porn psy op] a hidden military coup? [Yes]

THE WOMAN RESPONSIBLE FOR THE U.S. COVID RESPONSE

> Looking at the COVID p[l]andemic as a military-run operation puts public laws and documents into light while painting a different picture of the whole was really in charge of the US response. Was this martial law?



"Dr. Fauci held court in the public eye on a daily basis, so frequently that many misconstrue his role as being in charge. However, it was really Dr. Birx who articulated Task Force policy. All the advice from the Task Force to the states came from Dr. Birx. All written recommendations about their on-the-ground policies were from Dr. Birx. Dr. Birx conducted almost all the visits to states on behalf of the Task Force."

Dr. Scott Atlas: Deborah Birx Dictated COVID Policies

In the video below, Dr. Scott Atlas explains that the problem with official COVID narrative globally was **not just ignorance and incompetence, but a complete lack of morality and ethics as well as a complete failure of critical thinking.**

Dr. Atlas is calling for a public hearing of what happened to avoid future lockdowns – for example for "climate change." He says the biggest problem was that **people lacked courage**.

> Health policy expert and former and White House Coronavirus Task Force Advisor, Scott Atlas, MD, gives Del his inside look into his 2020 battle within the Trump Administration's COVID-19 Task Force. He describes a tumultuous scene where Dr. Deborah Birx, Dr. Tony Fauci and Dr. Robert Redfield, among others, fought against sound scientific data in favor of lockdowns, masking and school closures.

Dr Atlas explained that he set up a meeting between the White House COVID Response Team (Birx, Fauci, and Reddington) with Dr. Martin Kuldorff, Dr. Sunetra Gupta, and Dr. Jay Bhattacharya – authors of the Great Barrington Declaration. However, Birx refused to meet with them! Emails show that Francis Collins, then head of the NIH, asked Fauci to ban them — which Fauci did.

Medical Martial Law 2020

DEBORAH BIRX UNMASKED – I BET YOU DON'T KNOW THIS ABOUT THE SCARF LADY

> Birx is a pivotal member of the Medical Mafia – here are some stories you might not know about the evil scarf lady. Birx now says she knew all along that the Covid vaccines wouldn't work and admitted to subverting the US government (and tricking the world!) in multiple ways while on the COVID-19 Task Force.

The must-see video Medical Martial Law 2020 by James Corbett of The Corbett Report explores some of the possible motivations for the implementation of martial law in the case of COV-19 even when it was not medically necessary and no matter how disruptive it was to the economy, the nation, and the world.Corbett discusses the Rockefellers' Lockstep document which called for more authoritarian control.

See Is This Why Chase Banned Dr. Joseph Mercola? for a discussion of the Rockefellers' plans for global government. He explains that Obama administration introduced new regulations which the Trump administration approved giving the CDC enhanced authority to quarantine Americans and other violations of civil liberties.Corbett explains that much [all] of the hysteria around **COVID was a media PR campaign to get the public to accept further martial law measures like the ones introduced after 9/11. After 9/11, we lost our Fourth Amendment protections.**

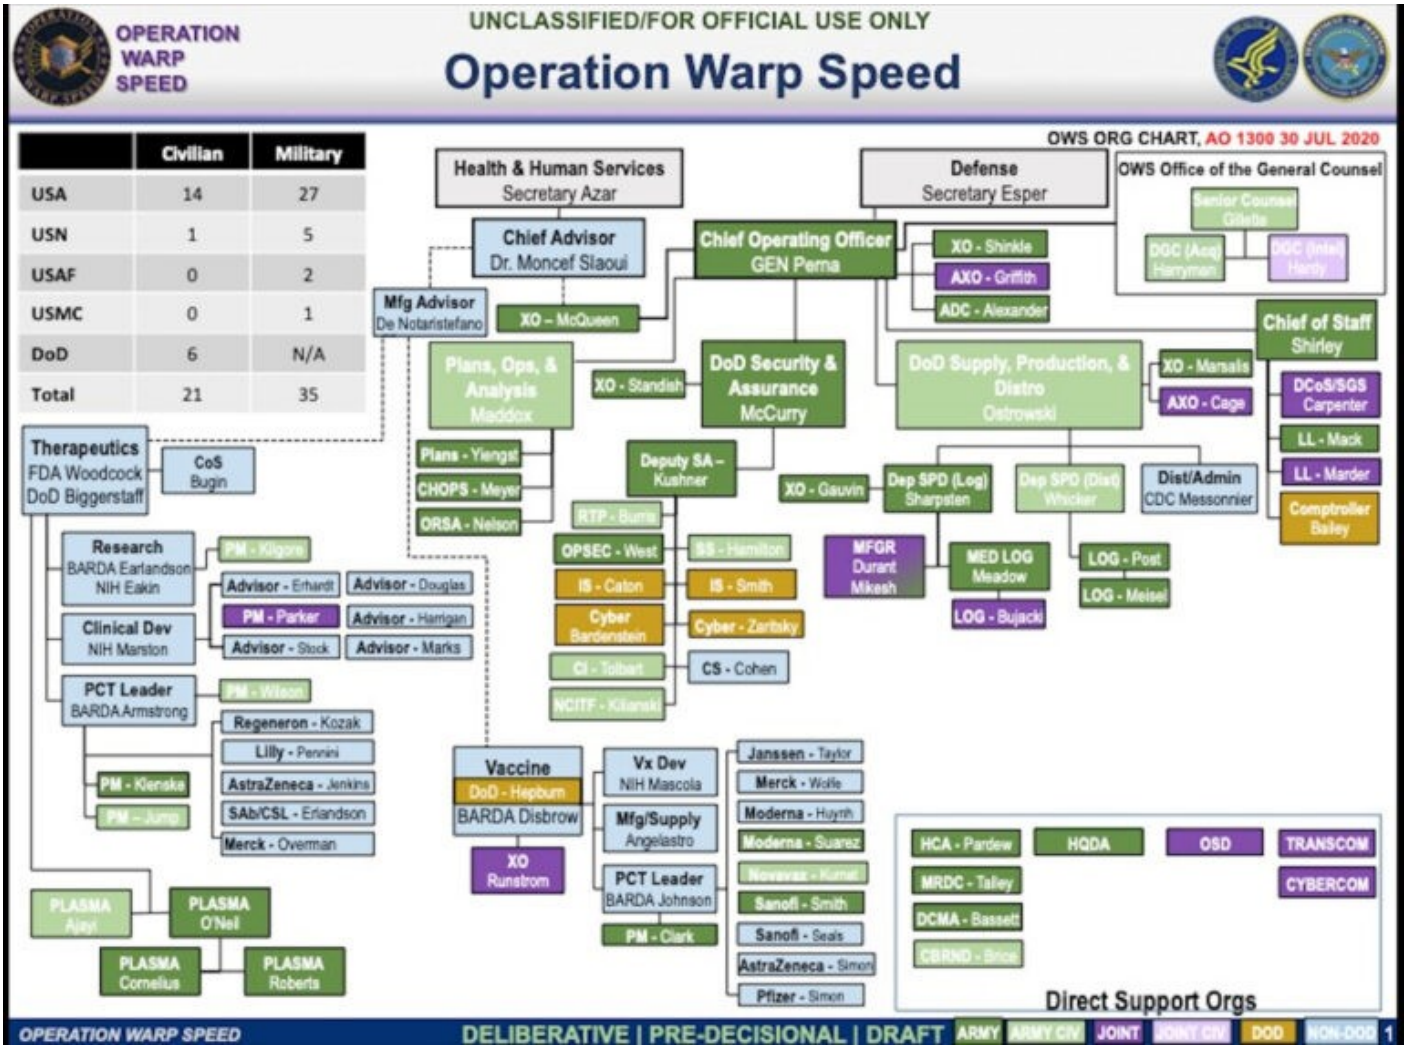
Obama's NDAA stripped away our Fifth and Sixth Amendment protections. The Covid policies obliterated our First Amendment rights of Freedom of Speech, Freedom of the Press, Freedom of Assembly, and Freedom of Religion. They also violated the Nuremberg Code.

The Military Produced COVID Shots – Not Pfizer/Moderna!

The government and corporate media have told us that the COVID shots in America were produced by Pfizer, Moderna, and Johnson & Johnson. However, the New York Times article COVID shots were produced by a military operation reveals that the shots were produced by the military.

New document reveals scope and structure of Operation Warp Speed and underscores vast military involvement. 9/28/20

> "Now, an organizational chart of the $10 billion initiative, obtained by STAT, reveals the fullest picture yet of Operation Warp Speed: a highly structured organization in which **military personnel vastly outnumber civilian scientists**.
>
> The labyrinthine chart, dated July 30, shows that roughly 60 military officials — including at least four generals — are involved in the leadership of Operation Warp Speed, many of whom have never worked in health care or vaccine development. Just 29 of the roughly 90 leaders on the chart aren't employed by the Department of Defense; most of them work for the Department of Health and Human Services and its subagencies.
>
> Operation Warp Speed's central goal is to develop, produce, and distribute 300 million doses of a coronavirus vaccine by January"



RFK Jr.: Military Controlled US COVID Policies

At about 50 minutes in to the video below, RFK Jr. explained that the US COVID policies were a military response. “Operation Warp Speed” was a military operation. Kennedy said,

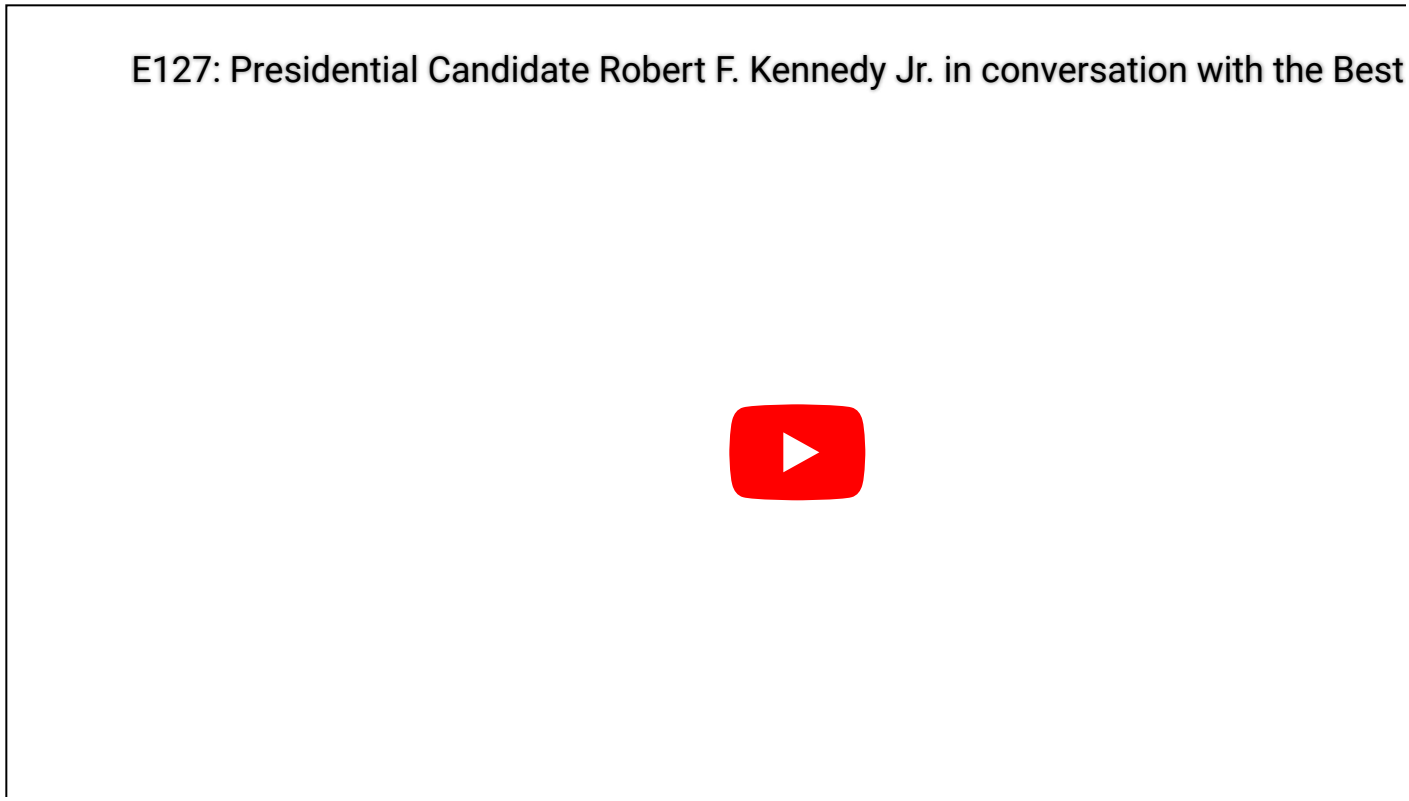
> When Operation Warp Speed had to declassify its organizational charts to show the FDA Committee called VRBAC, the agency running Warp Speed and Pandemic Response was not HHS. It was NSA, National Security Agency. Averill Haines is the Director of National Intelligence. So, she was running Operation Warp Speed.

This suggests that Averill Haines was giving orders to Deborah Birx.

Kennedy adds:

> Who was manufacturing? It wasn't Pfizer and Moderna. It was 140 military contractors who had lines ready. All of this clamp down on civil rights that we saw, the censorship, the closing the churches, the closing of the right to assemble, the banning of jury trials against pharmaceutical companies. They crushed the Seventh Amendment and the First Amendment. They closed down 3.3 million businesses with no due process, no just compensation. They obliterated the Fourth Amendment right against warrantless searches and seizures. You had to show your medical records to get out of your house or to get into a public building.

E**127: Presidential Candidate Robert F. Kennedy Jr. in conversation with the Besties**



RFK Jr. launched his presidential bid in Boston, in part, because his great grandparents and grandparents lived there. However, he pointed out that it Paul Revere's famous ride was to warn that the British troops were in Boston. It launched the revolution against the British tax on tea. Kennedy explained that **the American Revolution was launched**

against the same collusion of government and corporate power that we are seeing today.

Kennedy likened his campaign to the American revolution.

> “My mission over the next 18 months of this campaign and throughout my presidency will be to end the corrupt merger of state and corporate power that is threatening now to impose a new kind of corporate feudalism in our country,” Kennedy said.

Eisenhower Warned US About Military/Industrial Complex

In his farewell address to the nation on January 17, 1961, President Dwight D. Eisenhower, a 5-star general, warned America about the dangers of the military/industrial complex.

President Dwight Eisenhower Farewell Address

> President Dwight Eisenhower spoke to the nation in a farewell address. The address, sometimes referred to as the “Military-Industrial Complex Speech,” is considered by some to be one of the most significant speeches of the Eisenhower presidency.

Biden Creates Permanent Military Pandemic Preparedness Office

“On the heels of evidence that Dr. Birx and the U.S. military drove the American pandemic response; the White House has announced a new permanent pandemic office in the Executive Branch run by an ex-Pentagon & NSC asset. The move aligns with the WHO’s Pandemic Treaty agenda, setting up a concerning turn-key global response to “public health threats” driven by the W.H.O.

COVID Shots Create National Security Issues

How COVID Shots Pose National Security Issues

In the video below, analyst Ed Dowd says, “We have a national security issue.”

Rockefellers' "Operation Lockstep"

Klaus Schwab, founder of the World Economic Forum, said that COVID was a perfect segway to The Great Reset and the Fourth Industrial Revolution which is the merger of humanity and artificial intelligence. He says the Great Reset involves a shift from shareholder capitalism to "stakeholder capitalism" which is **the merger of government and corporate interests. Mussolini defined that as "fascism"** and it is that merger RFK Jr. warned about in his speech in Boston.

Unelected officials at the World Health Organization are now proposing a **Pandemic Treaty** that would allow it to dictate health policies to member nations – overriding the will of the people in elected governments. **That represents an end of democracy and freedom. It spells inescapable global slavery.**
